HOME DEPARTMENT

Sir,

Buildings - South Kanara district - Mulky Police lines - Construction of a septic tank latrine in the place of the dilapidated dry earth latrines - Plan and estimate - Approval - Requested.

I submit for the administrative approval of the Government a plan and an estimate amounting to Rs. 6,202/- (Rupees six thousand two hundred and two only), for the construction of a septic tank latrine with eight seats in the place of the dilapidated dry earth latrines of the Mulky Police lines in the South Kanara district.

2. The existing dry earth latrines cannot be converted into a septic tank latrine for the reasons given in the enclosed copy of the letter No.1271-M dated 18.5.49 from the Executive Engineer, South Kanara Division, Mangalore to the District Superintendent of Police, South Kanara.

3. The above work involves the use of the iron materials for which permits will be obtained from the Director of Controlled Commodities, Madras.

4. As regards the pipe materials required, I enclose herewith the application form in duplicate, duly filled in by the Executive Engineer, South Kanara Division, Mangalore. I request the Government that the essentiality certificate may kindly be signed and returned for transmission to the concerned authority.

4. The above work will be carried out by the Public Works Department.

5. As the above minor work exceeds Rs.2,500/-, I also request the Government to accord specific sanction for its execution during the current year.

6. The expenditure will be met from the allotment under Police minor Works in the Civil Works Estimate for 1950-51.

I forward herewith plans and estimate amounting to Rs. 6202/- for the above work for obtaining the administrative approval of Govt, and early return. The existing G.I. sheet latrine is in a dilapidated state and it is not possible to convert it into septic tank latrine of 8 seats as now required and proposed. It is firstly dilapidated and close to S.I's quarters, secondly its conversion is not possible as the design of this will not suit conversion and thirdly the connection for the septic tank will not be possible due to its location and low level. Very early sanction of the Government to the work may please be obtained.

Sir,

Sub:- BUILDINGS - South Kanara district - Mulky Police lines - construction of a septic tank latrine in the place of the dilapidated dry earth latrines -- sanction requested.

Ref: Home Department memorandum No.109773 Pol.III/50-2 dated 5.9.50.

--- 191176

The question of constructing a Wardha type of latrine as suggested in the Government memorandum cited, was referred to the Executive Engineer, Public Works Department, South Kanara Division, Mangalore and the District Health Officer, South Kanara and they have both reported that it is not suitable for the Mulki Police Lines vide letter No.3402 M dated 18.10.50 from the Executive Engineer, South Kanara and letter F.Dis.No.3656/50(R.F. 62) dated 27.9.50 from the District Health Officer, South Kanara to the District Superintendent of Police, South Kanara (copies enclosed).

2. In the above circumstances, I request the Government to sanction the construction of a septic tank latrine with eight seats as originally proposed in my letter Rc.1211/HB/49 dated 4.8.50. The Plans and estimates returned with the Government memorandum cited are resubmitted herewith for approval.

This file deals with the proposal of the D.G. of Police, for the construction of a septic tank latrine with eight seats in the place of the dilapidated dry earth latrines of the Mulky Police lines in the South Kanara dist. at an estimated cost of Rs 6202/-. This dept. suggested that a Wardha type of latrine might be constructed in the Police lines referred to instead of a septic tank latrine. The P.W. and Fin. depts. agreed to the suggestion. Accordingly the D.G. was asked to submit a revised estimate for the construction of a wardha type of latrine in the Police lines in question.

The D.G. has stated that the question of constructing a Wardha type of latrine in the Mulky Police lines was referred to the E.E., P.W.D., South Kanara division and the dist. Health Officer, South Kanara and that they have both reported that it is not suitable for the Mulki Police lines. He has, therefore, requested the Govt. to sanction the estimate amounting to Rs 6202/- already sent by him for the construction of a septic tank latrine with eight seats in the Mulky Police lines in the South-Kanara dist.

In the circumstances, this dept. may accept the proposal referred to at A above. The P.W.D and the Fin. dept may see for remarks.
